### **OPERATING REVIEW**

#### **Principal activities**

Wheatley Solutions Limited ("Wheatley Solutions" or "the Company") is a wholly owned subsidiary of Wheatley Housing Group Limited ("Wheatley Group"). The company provides back office and administrative services to certain subsidiaries of the Wheatley Group.

Wheatley Solutions was set up to create a distinct entity with the Wheatley Housing Group to deliver excellence in shared service provision to subsidiaries across the Group.

Having a subsidiary focused on providing services on a business to business basis to other subsidiaries brings operational benefits and clarity including greater transparency and accountability in intra-group service provision arrangements, clear performance, reporting and governance frameworks.

The Company provides group services to a number of operational subsidiaries within the Wheatley Group. These subsidiaries include:

- The Glasgow Housing Association Limited;
- Cube Housing Association Limited;
- West Lothian Housing Association Limited;
- Loretto Housing Association Limited;
- Dunedin Canmore Housing Limited;
- Barony Housing Association Limited;
- Loretto Care
- YourPlace Property Management Limited; and
- Lowther Homes Limited.

The Company manages IT investment for the Group and also maintains group wide IT systems for the benefit of Wheatley Group subsidiaries. Examples of IT software acquired from Wheatley Housing Group Limited on 1 May 2016 were the rent management and customer relationship management systems, both of which are used by Wheatley Group subsidiaries to support how they engage with their customers.

**Principles of Wheatley Solutions**

Work to develop and mature Wheatley Solutions and the services it provides, has moved forward in the last year. The services Wheatley Solutions provides and the value it delivers as part of Wheatley Group is built around six key principles. These principles are that Wheatley Solutions will be:

- rooted in the culture and mission of Wheatley to deliver customer excellence in housing, property management and care;
- more than a service provider, working in a true partnership with subsidiaries to deliver their outcomes and keep them at the leading edge of their sectors;
- focused on driving efficiency by using our collective scale and resources to keep the cost of services low, minimise waste, and manage risk;
- innovative by using expertise, analysis, collaboration and technology to transform how subsidiaries carry out business with their customers;
- services provided will be high quality, reliable, seamless, co-created with subsidiaries and embedded in their operations;
- support will be packaged around the concept of having universal, commodity and specialist services reflecting the different requirements of Wheatley Solutions' customers.

During the year Business Excellence Frameworks have been agreed between Wheatley Solutions and the operational subsidiaries. These Business Excellence Frameworks set out – amongst other things – the services provided, and the charges made, by Wheatley Solutions to each of the group entities that pay for its services.

### **OPERATING REVIEW (continued)**

#### **Disclosure of information to auditor**

The directors who held office at the date of approval of this Directors' Report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware; and each director has taken all the steps that he/she ought to have taken as a director to make himself/herself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

#### **Independent auditor**

In accordance with Section 489 of the Companies Act 2006, a resolution for the re-appointment of KPMG LLP as auditor is to be proposed at the forthcoming Annual General Meeting.

#### **Political donations**

No political donations were made by the Company during the year ended 31 March 2019.

#### **Going concern**

The Company provides group services to all Wheatley Group subsidiaries. The Company charges the subsidiaries the costs incurred in providing the service and a significant proportion of amounts owed by the Company are amounts due to other Wheatley Group subsidiaries. As a result the financial viability of the Company reflects that of the subsidiaries. Each subsidiary prepares and annually updates its business plan which sets out its long term financial forecasts. The business plans demonstrate that the subsidiaries have sufficient funds to meet their liabilities as they fall due, including those due to Wheatley Solutions and the subsidiaries' business plans do not depend on amounts due from Wheatley Solutions being repaid. There are therefore no material uncertainties related to events or conditions that cast significant doubt upon the Company's ability to continue as a going concern.

## **FINANCIAL REVIEW**

Wheatley Solutions reported a loss of £51k for the year to 31 March 2019. This loss represents the amount provided for deferred tax which has not been recharged to the subsidiaries in the year.

#### ***Statement of Comprehensive Income***

Turnover, generated exclusively from the provision of Group services to fellow subsidiaries of the Wheatley Group totaled £30,824k for the year. Operating expenditure of £30,671k is made up of staff and associated administrative expenditure. Operating surplus of £153k, is equal to the current tax charge which results from the difference between depreciation charged on the IT assets of the company and capital allowances for tax purposes.

#### ***Statement of Financial Position***

Fixed assets of £8.7m are held by Wheatley Solutions, being principally Group IT systems and office equipment. Trade debtors and creditors mainly comprise of amounts due to and from the Company by other Group subsidiaries. Creditors due after more than one year are amounts due for the future use of IT systems from other Group subsidiaries. The Company reports net liabilities on the Statement of Financial Position of £51k, in line with the amount due for deferred tax which will be recovered from the subsidiaries as the amounts become due. A significant proportion of amounts due by the Company are owed to other Wheatley Group subsidiaries.

**OPERATING REVIEW (continued)**

**Principal risks facing the Company**

**DIRECTORS' REPORT (continued)**

**STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE DIRECTORS' REPORT AND THE FINANCIAL STATEMENTS**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WHEATLEY SOLUTIONS LIMITED**

### **Opinion**

We have audited the financial statements of Wheatley Solutions Limited ("the company") for the year ended 31 March 2019 which comprise the Statement of Comprehensive Income, Statement of Changes in Reserves, Statement of Financial Position and related notes, including the accounting policies in note 1.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2019 and of its loss for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

### **Going concern**

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the company or to cease its operations, and as they have concluded that the company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least a year from the date of approval of the financial statements. In our evaluation of the directors' conclusions, we considered the inherent risks to the company's business model, including the impact of Brexit, and analysed how those risks might affect the company's financial resources or ability to continue operations over the going concern period. We have nothing to report in these respects.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the absence of reference to a material uncertainty in this auditor's report is not a guarantee that the company will continue in operation.

### **Directors' report**

The directors are responsible for the directors' report. Our opinion on the financial statements does not cover that report and we do not express an audit opinion thereon.

Our responsibility is to read the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the directors' report;
- in our opinion the information given in that report for the financial year is consistent with the financial statements; and
- in our opinion that report has been prepared in accordance with the Companies Act 2006.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WHEATLEY SOLUTIONS LIMITED (continued)

### Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made;
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

We have nothing to report in these respects.

### Directors' responsibilities

As explained more fully in their statement set out on page 6, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities).

### The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

## **NOTES TO THE FINANCIAL STATEMENTS**

### **1. Accounting policies**

The following accounting policies have been applied consistently in dealing with items that are considered material in relation to the Company's financial statements.

#### ***Basis of preparation***

The financial statements have been prepared on a going concern basis, in accordance with the Companies Act 2006 and applicable accounting standards in United Kingdom including Financial Reporting Standard 102, under the historical cost convention. The presentational currency of these financial statements is Sterling. All amounts in the financial statements have been rounded to the nearest £1,000.

The Company's ultimate parent undertaking, Wheatley Housing Group Limited includes the Company in its consolidated financial statements. The consolidated financial statements of Wheatley Housing Group are available to the public and may be obtained from Wheatley House, 25 Cochrane Street, Glasgow, G1 1HL.

As the consolidated financial statements of the ultimate parent undertaking include the disclosures equivalent to those required by FRS 102, the Company has taken the exemptions available in respect of the following disclosures:

- Cash Flow Statement and related notes.
- Certain disclosures required by FRS 102.11 Basic Financial Instruments and FRS 102.12 Other Financial Instrument Issues in respect of financial instruments not falling within the fair value accounting rules of Paragraph 36(4) of Schedule 1.

The principal accounting policies, which have been applied consistently throughout the financial period, are set out below.

#### ***Going concern***

A significant proportion of amounts owed by the Company are amounts due to other Wheatley Group subsidiaries and, since subsidiaries' business plans do not depend on amounts due from Wheatley Solutions being repaid, there are no material uncertainties related to events or conditions that cast significant doubt upon the Company's ability to continue as a going concern.

#### ***Related party disclosures***

The Company is a wholly-owned subsidiary of Wheatley Housing Group Limited and is included within the consolidated financial statements of Wheatley Housing Group Limited which are publicly available. Consequently, the Company has taken advantage of the exemption, under the terms of FRS 102, from disclosing related-party transactions with wholly owned entities that are part of the Wheatley Housing Group.

#### ***Taxation***

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

**NOTES TO THE FINANCIAL STATEMENTS (continued)**

**1. Accounting policies (continued)**

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. The following timing differences are not provided for: differences between accumulated depreciation and tax allowances for the cost of a fixed asset if and when all conditions for retaining the tax allowances have been met.

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the balance sheet date. Deferred tax balances are not discounted.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

***Value Added Tax***

The Company is registered for VAT and is a member of the Wheatley VAT Group. Expenditure is shown net of VAT.

***Turnover***

Turnover relates to the provision of Group services to other Wheatley Group subsidiaries. Income is recognised when there is entitlement, certainty or receipt and the amount can be measured with sufficient reliability.

***Valuation of property, plant and equipment***

Furniture & Fittings and Computer Equipment are stated at cost and depreciated on a straight-line basis as detailed below.

***Depreciation***

Property, plant and equipment depreciation is charged on a straight-line basis over the expected useful lives of fixed assets to write off the cost, or valuation, less estimated residual values at the following annual rates. Assets are depreciated in the month of acquisition, or in the case of a larger project, from the month of completion, at the following rates:

Furniture, fittings and office equipment (cost)	4 years
Computer hardware and software (cost)	3-7 years

***Leases***

Leases that do not transfer all the risks and rewards of ownership are classified as operating leases. Payments under operating leases are charged to the Statement of Comprehensive Income on a straight-line basis over the period of the lease.
