Engaging with tenants

We want tenants to be at the heart of what we do.

Our 'Stronger Voices' programme helped tenants shape our services. Tenants took part in focus groups, surveys, neighbourhood walkabouts and other activities.

Stronger Voices

Tenants also took part in focus groups on anti-social behaviour, tenancy sustainment, repairs, and more.

The Group Scrutiny Panel includes over 20 customers from Wheatley communities across Scotland. The panel meets quarterly to scrutinise performance, choosing their priorities. In 2024-25, the panel focused on anti-social behaviour, tenancy sustainment, repairs, and re-lets/empty homes.

The panel decides a 'spotlight' item for each meeting and can undertake thematic reviews. Last year they reviewed environmental services and presented their findings to Boards. This year, the panel's thematic review has been on tenancy sustainment.

Landlord self-assurance is at the heart of the Scottish Housing Regulator's approach to regulation. An important element of this is our Annual Assurance Statement. We have assessed compliance against the relevant regulatory requirements, and the Wheatley Group Board considered evidence at its meeting on 27 August 2025. The Wheatley Group Board has confirmed that all Registered Social Landlords which are part of Wheatley Housing Group Limited – Wheatley Homes Glasgow Limited, Wheatley Homes East Limited, Wheatley Homes South Limited and Loretto Housing Association Limited – comply with all relevant requirements set out in the regulatory framework. The full statement is available to view at www.wheatley-group.com

We also comply with the Scottish Social Housing Charter. This Annual Report provides an assessment of our performance against the outcomes and standards.
